

# Crisis Code Reporting

TAA letter published August 13, 2020:

## [SY 2020 - 2021 COVID-19 Crisis Code Reporting Guidance](#)

### Background

- Since 2008, PEIMS has allowed the collection of student level Crisis Code (E1054) information for health or weather-related events that impact a group of students, and may require additional funding, education or social services.

### Purpose

- In order to inform policy makers, support best practices and ensure maximum funding for Local Education Agencies (LEAs), LEAs will need to submit a crisis code indicator for all students attending school in the 2020-2021 school year.

TEA has the authority to collect crisis code data for students based on TEC, Section 7.028 (a) (4):

### Authority to Collect Crisis Codes

- TEC, Section 7.028(a) (4):

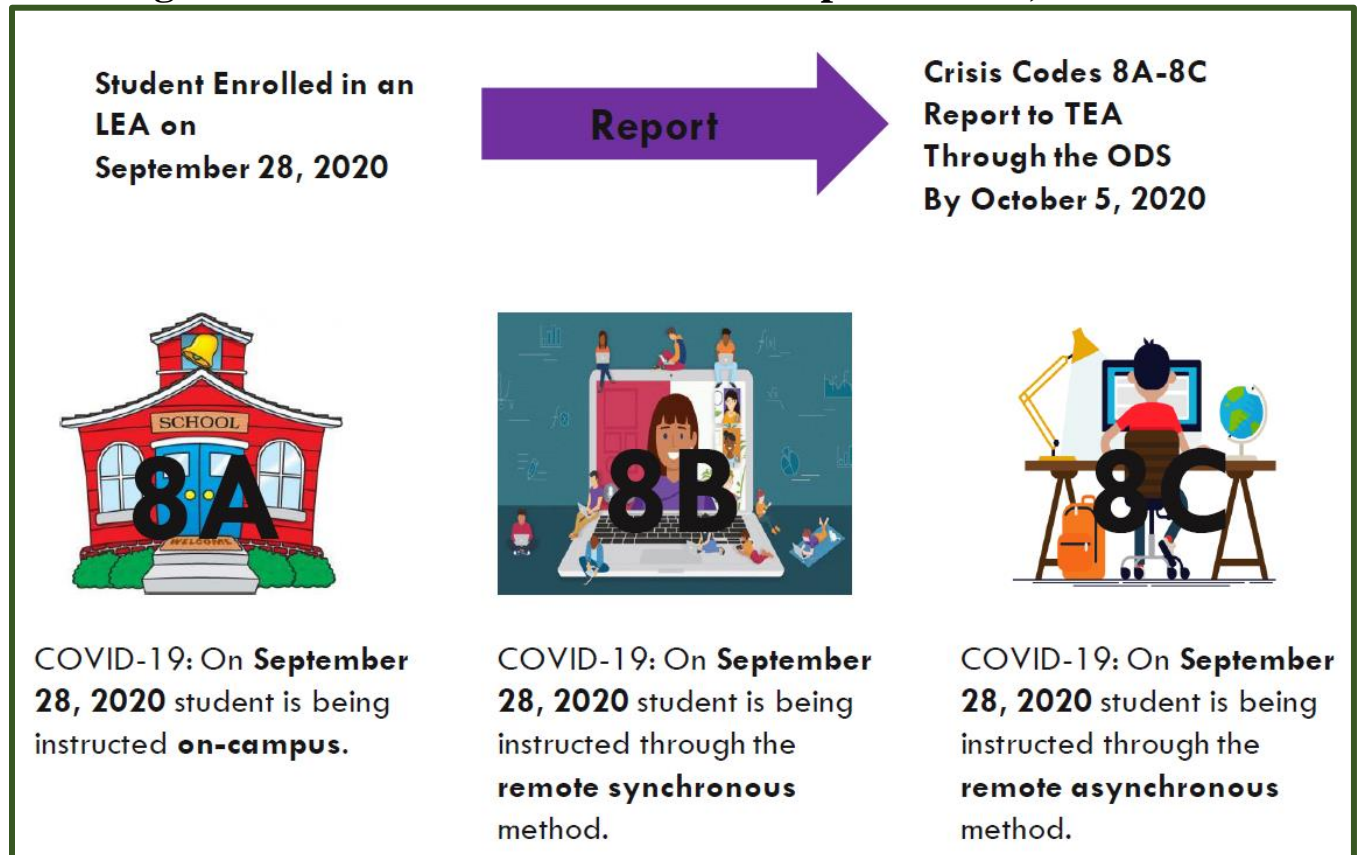

Sec. 7.028. LIMITATION ON COMPLIANCE MONITORING. - (1) compliance with federal law and regulations;
- (2) financial accountability, including compliance with grant requirements;
- (3) data integrity for purposes of:
  - (A) the Public Education Information Management System (PEIMS); and
  - (B) accountability under Chapters [39](#) and [39A](#); and
- (4) qualification for funding under Chapter [48](#).
