

TEDS Code Table Updates

➤ **C022 – Service IDs**

Please check the 2020 – 2021 TEDS Change Log for a complete listing of service ID changes that have occurred in the C022 table. A document with a list of the C022 table changes has been provided along with this guidance document for your district to use as a guideline. Some Service ID codes have been added, some deleted and some have been revised. Some revisions are changes to the amount of credit awarded for a course. Please check the Change Log carefully and make appropriate adjustments in your SIS/Master Schedule.

➤ **C092 – Language Code**

Added: 6B – American Sign Language (ASL)

➤ **C214 – Industry Certification Licensure Code**

Added: 931 – Medical Laboratory Technician
